1, The Chairman has asked for the allotment of an additional grant to the extent of Rs 10,000- to meet the Expenditure of the above works, as it cannot be taken up either by the Municipality or by the Trust Board for want of funds!

(b) The necessity and urgency for carrying out the improvements for the Madigere in Hassan Mysore have been explained by the Chairman, Trust Board, Mysore

Having regard to the fact that there are barely two months more for the Mysore to close and that the Legislature will have to be approached for an ad grant in this behalf, it is for consideration if this work may not be ordered to be taken up first in the order of priority, and the first grant to be sanctioned during the Board during next year for orders - refer para 5 Supra

Recommended for Rs 16 lacs

(c) The work may perhaps be taken up next year. There is no special urgency about it

Asks for sanction an estimate amounting to Rs 25-000/ for urgent and necessary works for improving Adikarnatakasramam at Mysore and requests that grant to this extent as there is no provision in the current years' Budget of the Board for this work

2.5) 1) The estimate provides for the construction of two public baths and 26 latrines 2) removal of the badly damaged cement-concrete drains and reconstruction 3) repairing existing drains 4) and formation of a road connecting Adikarnatakasramam with the base road of Krishnamurthysramam 5) and metalling the base road in the area

2.6) There is no provision for the purpose in the current years Budget of

5995 Improvement of Adikarnataka

the Mysore City Improvement Trust Board and an additional grant to this extent has to be sanctioned from out of State Funds.

27) For orders if the work may be taken up this year.

In case it is decided to do so, and a grant of Rs 25000 will have to be sanctioned out of State funds during the current year for the purpose, it is consulted with the Secy

Secy to H(S)M

28) For favour of advice if the addl grant could be made available

Secy to H(S)M

29) It is proposed to sanction the Estimate after scrutiny by the Chief Engineer 2/3/46

for 4/3/46

30) Items (a), (b), (c), (d), (e) and (f) detailed below are chargeable to the Municipality and not to the Trust Board

(UO No 5618) 4/3

a) Removing the unserviceable and damaged cement concrete drain and reconstructing as per design complete Rs 5000/-

b) Repairing the damaged cement concrete drain in A K Puram 3200/-

Improvement of Krishnamurtipuram, Mysore

c) Forming the road from A K Puram to the last road of Krishnamurtipuram — Rs 450/-

U O 5618/46 d) Constructing a culvert at the newly formed road at the junction of Krishnamurtipuram — 500/-

e) Metalling the southern road of A K Puram — 950/-

f) Constructing latrines — 5000/-

The question of additional grant in respect of these items will not therefore arise as they are not chargeable to the Trust Board

With regard to item 3 (re construction of two public baths at Rs 5000/- each), if the Municipality is prepared to meet half the cost of such works, then the Trust Board may pay the other half.

In this connexion I wish to state that as the Budget of the current year is badly upset on account of heavy subsidy for foodgrains and other expenditure connected with distress, unless this Rs 5000/- could be met by re-appropriation of sanctioned grants, it may be postponed

Submit with a draft letter accordingly, for approval or other orders
